NEED TO RE-HOME YOUR PET?

Home To Home™ gives people who can no longer keep their pets the opportunity to find new, loving homes without having to take pets to our centers, so pets can go from their current home into a new home. Furry animal friends looking to find new homes are searchable on laanimalservices.home-home.org.

IF SURRENDERING YOUR PET IS THE ONLY OPTION:

LA Animal Services is taking in surrendered pets by appointment only, please call 888-452-7381.

If your pet is sick or injured, call us immediately or contact your veterinarian.

SHELTER-AT-HOME

Statistically, lost pets are often easier found the closer they are to home. With Shelter-at-Home, communities can come together to help bring four-legged family members back home by temporarily taking care of lost pets while utilizing social media and posting flyers nearby.
