"Licorice" **Please Adopt Me NOW!!**

PURE JOY!!

Licorice is a perfect companion! She has endless adorable ways to get your attention and win your heart so you will fall in love with her. She won our hearts right away, with her gorgeous black-cat beauty and especially with her exceptional personality -- delightfully kitten-like when she plays, and very gentle, sweet and loving, always!

Lovable Licorice is so playful that she will reach out and hug your arm so you will play with her. *She's so cute!!* You can't help but smile, cherish her friendly style, and stop to play with her or pet her. Listen to her PURRRRR!!!

Being around Licorice is pure joy. She is 5 years, and wonderfully gentle and good-natured. Plus Licorice is gorgeous like a runway model dressed in elegant, softest black velvet with sparkling green gem-like eyes.

Come meet and adopt this fantastic girl today. Licorice needs a person or family who will love her, play with her and cuddle her -- and keep her indoors-only, so she can stay safe to play, love and cuddle with you too, always!
