FEED&PET

## “CREED” - 9 pounds OF CUTE!

This little ANGEL is “CREED” – he’s a wee 2-year young boy who would love to share your life. Like many tiny dogs, CREED is a little shy and reserved in the unfamiliar sounds and smells at the shelter -- it’s so big and hes so TINY!!! Don’t worry a bit -- once you show him that you are calm and he can trust you he warms right up! (A treat or 2 might help break the ice with him, as well.) In just a little time, Creed will be friendly and loving, and he’ll be your best bud!! Just look at those adorable little white boots, his darling applehead, and his ears!! Oh, those ears!!! They’re almost bigger than his whole self!!

Creed is the perfect size for traveling, and would make a perfect partner in your daily activities. Leash this little one up, tuck him under your arm, and get ready to make new friends. He’s so cute – everyone will want to know sweet little Creed!

CREED will first be available to adopt on Friday, May 10. Please come and meet him – spend some time with him - you’ll want to adopt this wonderful boy and make him your newest, cutest furry little family member.
