ENCHANTING

“Elvira”

Fun-Filled Purr-Fest!

~ 6-Month Baby Girl ~

ELVIRA is a wonderfully friendly and adorable little 5-pound ebony-coated baby!! Her shiny, beautiful black coat shows off her enchanting, big golden eyes, round with darling kitten-curiosity and fun silliness!!

This sweet baby is super playful, gentle and loving. She's also full of little-girl spice and everything nice for all the fun-filled play and purr-fests she will joyfully bring you.

Elvira loves your attention and being in the center of all the household activity. She loves to participate! She wants to play and then cuddle and purr and purr some more. She is a perfect choice to be your newest fun-and-love filled /family member.

5 pounds now, Elvira will probably almost double in size when she is grown into a sleek, shiny black velvet adult.

When you come to meet little Elvira, please also consider adopting another kitten or cat– kittens love having a frisky feline playmate! Twice the adorable-ness and they'll keep each other amused when you're busy or away. The shelter is full to the brim with kitties and cats of all sizes, ages and colors who need homes too!!

Of course, Elvira must always be an indoor-only cat, so she stays safe to amuse you and snuggle with you always!
