Animal Shelter **DOG** of the **WEEK**

“CHARMING”

TAKE ME WITH YOU!! I LOVE TO GO!!

“CHARMING” is... well....CHARMING!! He’s a 1-year young Chihuahua boy who, at a mere 6 pounds, is fully grown and the perfect size to go everywhere with you, with ease!! And he loves to go!! Charming is very social (and charming!) and loves the attention everyone gives him because he’s so adorable, sweet and friendly to all!

Little Charming is a very warm and loving guy who loves to nestle in your lap or arms and be the center of your attention. He also loves his toys -- playtime is such fun for this puppyish boy. He loves to leash up and explore the neighborhood, and is always up for new sights or (safe) adventures. Most of all, CHARMING loves YOU!! He’s a very lively little one who will be a perfect family member in any home wanting a fun, playful and loving little dog.

He’s definitely a Ladies Man – handsome good looks and warm brown eyes -- he will melt your heart!! Please come to meet this amazing, wonderful little boy. He’ll be a great addition to your family.
