DANCING DARLING!

Baby Orange "Crush" is delightful and refreshing!! He's an absolute dream boy! Crush is super affectionate and will give you little kitty head bumps to get your attention and request pets and snuggles. He looks like he's doing his happy dance when he sits up and kneads his tiny paws in the air – so adorable!!

Crush is only 4 months and full of great playful kitten energy – he loves his play time with you, especially if you have his favorite feather toy – he joyfully sits up to play! Crush's personality is so cute and endearing!

Crush is a darling pastel Orange Stripe Tabby. He is the perfect companion for any loving home! Come meet this fantastic sweetheart today!

Please, Crush needs to be an indoor-only cat, to stay safe and healthy (and flea-free) always!

This adorable Crush is certain to be lasting love forever and ever!!
