When darling Milo got to the shelter, he was an incredibly cute curly-mop! But he had so many knots in his curls that the shelter shaved him so he can be comfortable. Take your pick -- Milo is extremely lovable either way!

Milo is a super sweet Cock-a-poo, at 6 years old a true gentleman -- he is soothingly sweet and mellow. His charm warms your heart, and his cuddly hugs are so cozy you won't want to let go! Milo is very nice with other little dogs too. Milo is perfect if you want an adorable and super sweet, gentle dog. Come adopt him today!
