♥ SYLVESTER ♥

*~ Loves everyone ~*

PERSONALITY PLUS!!!

Sweet SYLVESTER is the most affectionate, loving, friendly boy ever!! His silly little half-moustache is *so cute* and is a perfect match for his silly, adorably over-the-top loving personality! His big pistachio-green eyes look deep into your soul with beauty and LOVE!!

Sylvester comes right up to you with sweet head butts, purring, and rubbing his soft coat all along your legs, , politely insistent on sharing his love with you! This 7-yr old gentleman is a dreamy lover-boy!!

Sylvester is doing great in the shelter's community cat room where he gets along well with all the other cats -- so if you have a cat who needs a new sibling, Sylvester is the perfect choice for you, and for your cat too!! He will, of course, also do very well as an only cat who gets all the attention!! Sylvester is such a great cat that he will fit in beautifully in any loving home. Sylvester is an indoor-only cat and he must stay indoors only, to always be safe and healthy (and flea-free!)

Please come meet sweet, silly, snuggly Sylvester - you can't help but fall in love with this darling character, fast!
