I Love Laps, Hugs & Quiet Strolls
"LET'S RELAX TOGETHER!!"

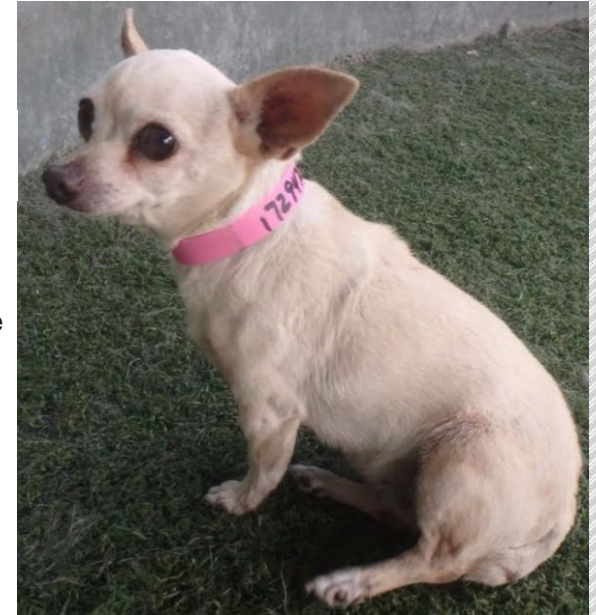

SUPER CUDDLER!!

Adorable, teensy 5-lb. **DINAH** is a true delight!! She is a wee 8 year lady who is the **BEST** companion. She's the perfect size to take with you EVERYWHERE you go!!

Back home, Dinah is a great lap warmer! Her big, soulful eyes tell you -- she is loving, gentle and delightfully affectionate. You'll certainly fall in love with her!

Dinah is perfect on leash; she loves her little evening strolls and relaxing on the sofa with you!! She really loves to be held in your lap, cuddled (and spoiled) by you!

Please come get to know this wonderful little girl – you'll love her!! We think she'll do best in an adult home or a home with very calm children.
