## SUPER-SIZED, SUPER-COZY LOVERBOY!!! SNUGGLE-LOVING JOY!

"Cuddles" is PERFECTLY CUDDLE-ISCIOUS!!!! Everything about Cuddles is super-size -- his huge friendliness, adorable cuteness, welcoming love of belly-rubs, and his joy when you pet him and love him! Cuddles is a big boy -- 20 pounds of huggable, snuggable and cuddle-loving joy! His size adds to his cuteness, and does not slow him down! Cuddles has lots of fun jumping on cat trees (indoor only!), and to be next to you. Loverboy Cuddles rubs gently, politely (and adorably!) along your ankles to request your love and pets, and he rolls over for his favorite -- belly rubs! Cuddles gets along nicely with the shelter's other cats. Come adopt this super-cute fantastic companion today! Please, Cuddles must stay indoors-*only*, to keep him safe always.
