INCREDIBLY CUTE!!

Loving & Loyal Too!

Just 1 year old, "Baloo" is a lap-size 14 pounds of eye-catching adorableness with silvery grays and cream curls galore, plus fun fantasy ears that look like ping-pong paddles operating on both sides of his head! Baloo is a poodle mix -- you can call him a Baloodle!

Baloo will do best if he can spend lots of time with you. He does not need you to always be petting him or giving him attention, but this loving, loyal boy does love to be where his mommy or daddy (or sister or brother) is. When he is left alone, Baloo can get lonely and afraid no one is coming back. If you work from home or do not work, and love spending time with your dog, then you and Baloo are perfect for each other!

Baloo is a LOVEBUG!!! He has an extremely sweet and gentle nature, a little shy just at first, he warms up quickly -- so have your lap ready! Baloo gets along very nicely with the shelter's other little dogs. Sweet little Baloo just needs a home with someone who is there he can love and snuggle! If that is you, then please come meet this darling little boy and you will love all his sweetness, cuteness, and eagerness to make you happy!
